

# PHP Developer

Darmstadt

The ADH is an expert in commercial leases. We specialize in the requirements of statistic trading, logistics and service companies. Our service profile includes strategy and service offerings for the management of rental and property objects.

## WE ARE SEEKING

a PHP Developer who is passionate about the latest web technologies. An ideal candidate cares about the impact and usability of the application to the end users, is attentive to details when it comes to application design and code quality, and is a quick learner of the application, tools and technologies.

## YOUR JOB

- involve in requirement analysis, design and development
- write clean and robust code as per internal and industry standards guidelines
- analyse and solve complex performance problems and architectural challenges

## WE EXPECT

- demonstrable experience on LAMP stack
- knowledge of object oriented PHP programming
- familiarity with limitations of PHP as a platform and its workarounds
- demonstrable skills with HTML5, CSS3, JavaScript, jQuery, AJAX and MySQL
- understanding the fully synchronous behaviour of PHP
- exposure to responsive web design
- experience in agile project development
- excellent communication skills and attention to detail
- nice to have: Linux, GIT repository experience, German language skills

## WHAT YOU GET

- Collaboration in a dedicated team
- diverse and varied tasks
- training opportunities
- performance-related salary
- secure workplace in an expanding service company
- first impressions: <https://adh.immo/karriere/>

## WE LOOK FORWARD

to receiving your detailed application, preferably by email to [Bewerbung@ADH.immo](mailto:Bewerbung@ADH.immo), your contact person is Nicolle Tkocz. Please note that only e-mail attachments as PDF files with a maximum size of 3MB can be processed. We ask for your understanding that we can process and respond to mail applications faster than postal applications.
